# How can I start an RMBA club?

We're so glad you asked!

1. A teacher or adult leader registers students or a reading group of three or more readers in Grades 4-7 to interact with each other and discuss the books.
2. Students read at least five books from the combined list of fiction, non-fiction and poetry. The more books, the better, of course!
3. The teacher or adult leader submits the students' votes by filling out the electronic ballot form on the voting page.
4. Check back to see who won!
